A Global Cronometragem Informa:

Houve uma demora na apresentação dos resultados e Pacos finais da Pace Run 2025, pelo fato de vários atletas (cerca de 120), terem passagens nos pontos de controle, chegada, antes das suas respectivas passagens oficiais, com isso, tivemos que reprocessar todos os pontos de cronometragem, entendendo qual o tempo correto de cada atleta, para então realizar o cálculo correto de cada pace.

Cordialmente
